819 N. Highland Ave. Los Angeles, Ca 90038 Tel (323) 465-2131 Fax (323) 465-3504

75-599A PERMA SEAL UNIVERSAL CRIMP TOOL & CONNECTORS

Cable cutter, with replaceable blade

Easy grip plastic handles

Ratchet release knob

3 Piece easy to use interchangeable adapters for crimping 'F', BNC, RCA connectors. Unused adapters thread into handle for easy storage and access.

Convenient access for changing adapters and connectors

Carbon steel construction with black oxide finish. Smooth ratchet Style mechanism with easy release fingers

Works on all perma seal connectors

◆ *Install connectors in the field without soldering, terminate cables by using one tool for all your wiring needs.*

Calrad's 75-599A comes in a POS blister packaging

Step 1. Prepare cable

Step 2. Attach connector

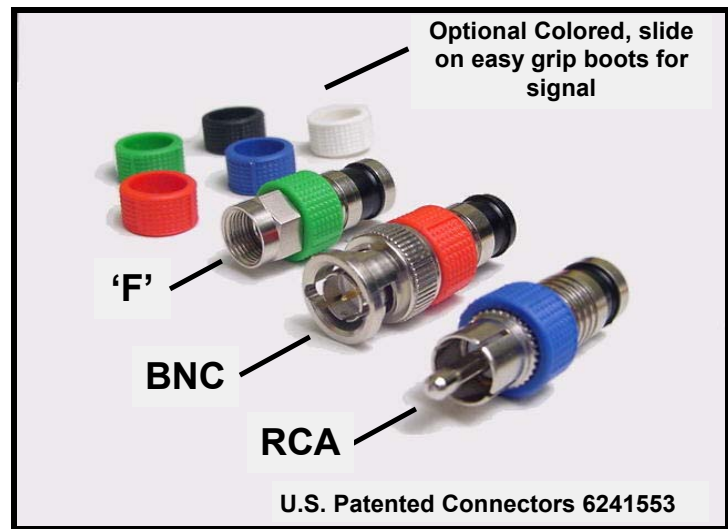

Step 3. Crimp connector

Step 4. Finished end

4 easy steps in less than 1 minute from start to finish providing a weatherproof seal with a compression fitting that helps prevent signal loss, all without the need for soldering. Terminate RG6 and RG59 cables. Use Calrad 30-289 series colored rubber boots to identify cables and connector ends.
